Job Description: Adults (18 years or older) volunteering for bingo are expected to sell specials, sell \$1 pull tabs, walk the floor, wipe down tables, and take out trash. Each adult volunteering accounts for one bingo session. So, if two adults from the same family volunteer on one night that will account for 2 bingo sessions for that family. Adults can not come to bingo and say they cannot participate in any of the activities listed above.

What Bingo Does: Each bingo helps the school pay for maintenance costs, items for the students, and teacher salaries as tuition alone does not cover that amount. We need bingo in order to keep the school running! The more volunteers we have the more items we are able to sell and fundraise for the school. On nights when we do not have volunteers we sometimes do not even make a profit.
